

**FEA MEMBERS ONLY!**

**LIMITED TIME OFFER UNTIL 2/14/17 ONLY!**

**WANT TO TAKE ADVANTAGE OF THE CONDO DEAL? FULL WEEK FOR \$219?**

**How do I take advantage of this deal?**

**Go to the FEA Web page and sign into your Access benefits! feaweb.org**

**Sign into Access with your membership number and password. If you do not have your card/letter with sign on info and password, you may call your local to get your membership number. Enter your membership number and email to reset your password. If your email has been registered, you will be emailed a link to reset your password.**

**If you cannot reset your password, please call FEA's toll free number at 888-807-8007 for Access card assistance.**

**Once you have logged into the Access site, you will see a category in the index on the left entitled "Condos and Resorts". Click on this category and select "Resort Vacation Certificate". When you select the Certificate, follow prompts for phone or online redemption. For online redemption (which I prefer so that I can determine potential vacations), "Click here" and you will enter your information and continue on. The discount will be given prior to you paying at the end.**

**BE SURE TO DETERMINE LOCATION AND AVAILABILITY before purchasing. You may purchase for yourself and a gift for someone else. These are great gifts for family members.**

**The vacation must be BOOKED within 1 year of purchase and TAKEN within the next year!**

**Each location/facility has their own "upgrade" times as well as black out months but there are plenty to choose from in the United States and other countries.**

**I personally purchased one of these and was extremely pleased with the facility, customer service of the Vacation site as well as on the premises during our stay. As with anything these days, please read reviews and information on facilities. Some may have construction going on during the available dates or other additional fees. If you cannot determine online, Call the resort to ask any questions you may have.**

**I hope you enjoy a vacation that you may not otherwise be able to take. Many of the places can house up to 6, 8 or 10 people and you could go with another family and split the cost or take your extended family.**

**PLEASE SPREAD THE WORD!! POST ON YOUR LOCAL WEBSITE!**

**REMEMBER: THIS OFFER EXPIRES 2/14/17**
