INCLUSION**

- A. **Training Plan:** When the affected school's IEP Committee recommends placement in a regular education classroom for a student with a severe disability who is already attending a Broward County school, a training plan shall be developed by the receiving school, with the input of the sending school staff and the receiving teachers, prior to the student attending the regular classroom. Health and Safety training components of the plan will be completed prior to the student's placement.

- B. **New Student to District:** When a student with a severe disability with an IEP that includes placement in a regular class transfers to Broward County from another county or state, a training plan shall be developed by the receiving school, with the input of the receiving teachers, no later than ten (10) days after the first day of the student's attendance in a district school. Health and Safety training components of the plan will be completed prior to the student's placement.

- C. **Students Placed With Volunteer Teachers:** Recognizing that special needs students who are placed into the regular school program are more likely to be successful when the teacher receiving the student has volunteered for the assignment, the district shall seek teacher volunteers for the Inclusion program.
