No claim will be made by the employee or by the BTU-ESP that the action was improper (See Article 6- Section Q).

Probationary employees shall be eligible for insurance coverage after completing their forty-fifth (45th) workday. Probationary employees shall accrue sick leave, but shall not be able to utilize the leave until their seventy-fifth (75th) workday. C. Bargaining Unit Clarification:

2. The BTU-ESP shall receive copies of new noninstructional job descriptions approved by the Board, with an indication of whether such positions are to be included in the BTU-ESP bargaining unit.

It is further agreed that as new position classifications are created by the Administration and the Board, the questions of inclusion within or exclusion from the bargaining unit shall be determined by reference to the Recognition Article of this Agreement and the job descriptions of those classifications. Where the parties agree that new positions be included in the bargaining unit, they shall immediately seek an amendment to the certification of the bargaining unit to include the new certifications of employees. In

the event the parties do not agree as to inclusion or exclusion, the BTU-ESP will immediately seek unit clarification from the Public Employees Relations Commission.
