

**ONLY CURRENT BCPS INSTRUCTIONAL EMPLOYEES ARE ELIGIBLE TO APPLY**

Summer term applications are completed and submitted online at:

<https://tinyurl.com/SummerTermApp2021>

**Deadline for applying is April 16, 2021**

Broward County's 2021 Summer Program has been expanded to include Pre-K through 12<sup>th</sup> grade students with a variety of programs and courses. It is anticipated that 3,000 plus teachers will be needed to staff BCPS summer term programs. Each site will determine the subject/course offerings based on the student needs. This packet will inform you of the programs and assist you with completing the on-line application.

**Elementary Level (Pre-Kindergarten – 5<sup>th</sup> grade) - Including Third Grade Summer Reading Academy**

Includes General Education and ESE students and ESY students. Standards and content will be related to Reading, Writing, Mathematics, Science, and Social Studies. The following Applied Learning Specials will be integrated within the content and taught by the classroom teachers: Art, Music, Debate, STEM, etc. The day will be wrapped with Social Emotional Learning. Teachers are expected to implement the curriculum with fidelity and to use student data to differentiate instruction. SWDs attending Summer Reconnect Program will have access to general education courses with the support of an ESE Teacher (Support Facilitator).

NOTE: Third Grade Reading Camp will be for 3rd grade retention only. Teachers must hold Reading Endorsement/Certification. Preference will be for teachers that have received a Highly Effective 2021 Instructional Practice Score (IPS).

**Secondary Level (6<sup>th</sup> grade – 12<sup>th</sup> grade)**

Includes general ed/ESE and ESY students

Students will attend math, science, social studies, and/or English Language Arts sessions to recover credit to be promoted, participate in programs for acceleration, participate in Applied Learning elective programming to find areas of passion which they have yet to discover, and/or participate in a Personalized Academic Social Learning (PASL)

The *Academic Acceleration* program provides students a chance to get ready for next school year. These courses are for students that passed their current course, however, feel that they want a jumpstart on the topics to be learned in the subsequent class. For example, a student that has passed Algebra, but may not have mastered all the content, can choose to be placed in a Geometry course to accelerate their learning and be more prepared to be successful in Geometry. *Elective* offerings will provide access to students and promote opportunities for exploration and engagement. *PASL* sessions will embed explicit lesson on social emotional learning and provide further personalized academic support based on student needs. SWDs attending Summer Reconnect Program will have access to general education courses with the support of an ESE Teacher (Support Facilitator).

**Extended School Year & ESE (Prek-12<sup>th</sup> grade)**

Students with disabilities (SWD) who meet eligibility for Extended School Year (ESY) will work on IEP goals through a structured academic day and will receive related services according to their IEPs.

### **Voluntary Prekindergarten (VPK)**

Students entering Kindergarten for the 2021-2022 school year that have not utilized their VPK Certificate of Eligibility will receive 300 hours of high-quality, Summer Pre-K instruction. Teachers must hold certification in Pre-K/Primary: Age 3-Grade 3, or Preschool Education (Birth-Age 4).
