

**ARTICLE 10**  
**PERSONNEL FILE ACCESS & SECURITY**

- A. **Number of Files:** There shall be no more than two (2) personnel files maintained for each employee. The official file will be maintained at the district personnel office. In the event two (2) such files are maintained, one (1) shall be kept at the work location where the employee is then employed. Each document placed into the employee's file maintained in the administrator's office shall be duplicated and the original transmitted to the district Employment Services Office for inclusion within the employee's file maintained at the district Employment Services Office. When the employee transfers to another work location within the district, the file will be transferred with the employee. When the employee leaves the district, the file maintained in the administrator's office may remain there for up to three (3) years.
- B. **Anonymous Items:** No item from any anonymous source may be placed in the personnel file.
- C. **Investigative File:** The file established by the district as a result of any investigation of an employee is not one of the two personnel files listed above. Access to a file dealing with an investigation shall be in accordance with the provisions of Florida Statute 1012.31. If the preliminary investigation is concluded with the finding that there is not probable cause to proceed further and with no disciplinary action taken or charges filed, then the district will ask the Department of State, Division of Library and Information Services, for permission to destroy the investigation file.
- D. **Notification To Employee:** Items may not be placed in an employee's official personnel file unless the item has been made known to the employee, pursuant to the methodology described in Florida Statute 1012.31. In addition, items challenged under the provisions of the grievance procedure may not be placed in the employee's file until the grievance has been resolved pursuant to the grievance procedure of this contract. The employee shall have the right to respond to any item(s) to be placed in his/her personnel file and to have the response attached to such item. The employee's signature shall indicate only that he/she has read the item and shall not necessarily indicate agreement with its contents.
- E. **Review and Copying of File:** Each employee shall have the right, upon request, to review and reproduce any contents of his/her personnel file. A representative of BTU-TSP may, at the request of the employee, accompany the employee in such reviews and may, upon written

authorization by the employee, review and reproduce any contents of the employee's personnel file. The review or reproduction of the contents of an employee's personnel file shall be made in the presence of the administrator responsible for the safekeeping of such file. An employee's personnel file shall be open to inspection pursuant to the criteria and requirements in Florida Statute 1012.31.
