Dear Principal,

In its continuing efforts to improve the financial options available to its members, the Broward Teacher's Union (BTU) has approved American Fidelity to conduct an on-site, one day (7:30 a.m.-4:00 p.m.) "Member's Only" Benefits Enrollment at each school work location.

American Fidelity Assurance Company, on behalf of BTU, will conduct the on-site enrollment and only members who choose to participate will view the brief presentation and complete applications. Members will also receive advance materials describing the available products prior to their scheduled enrollment day.

Attached to this email is an enrollment schedule indicating the dates we plan to be on site at your school location. **Please acknowledge your receipt of the enrollment schedule via e-mail reply at your earliest convenience.** Attached you will also find the memo sent in the mail last week from BTU president Anna Fusco to all Broward County School District Principals regarding this enrollment. As a courtesy, we have also provide a copy of the Access Letter BTU sent to Building Stewards which lists American Fidelity as an approved vendor.

Your work locations will be visited in advance of the enrollment day by an assigned Representative. All American Fidelity Representatives have been fingerprinted and have passed their level 2 background screening in compliance with the Jessica Lunsford Act. They will all display their State of Florida Contractor badges when checking into your schools and throughout their time on campus. Below is a list of badged and approved contractors for American Fidelity:

Caitlin Baxley
Peggy Chastain
Mark Cisneros
Kristyn Hallowell
Dominick Intagliato
Deangelo Jackson
Jay Jenkins
Christopher Kennedy
Ben Nichols
Bill O'Connor

We thank you in advance for your cooperation. We sincerely believe that this is a valuable opportunity for BTU members. On behalf of BTU, we thank you for your support. Please do not hesitate to contact me with any additional questions.

My very best,

Kristyn Hallowell
