

Action Needed!

The Florida House passed HB 7055 that provides vouchers to students who claim to be bullied to attend a private school at taxpayer expense, **AND** contains provisions to crush teacher's unions.

Last week a BTU delegation met with Florida House members to thank them for voting "NO". We also met with Senators and Senate leadership to ask for their firm commitment to not take up the House version of the bill and to vote "NO" on these shameful provisions. **I am proud to say that we got that commitment!**

We need YOUR help to to assure that commitment!

Join us in Twitter campaign, directed at Florida Senate members to publicly thank them for their pledge to vote "NO" on this bill and the horrible language it contains.
